ADULT EDUCATION

Mo. Laura Howell

Adult Education sponsors the Sunday morning Forum series during the academic year with a variety of guest speakers from the parish and community. Topics ranged from Bible studies, parishioners' faith journeys, and the spirituality of animals to political and economic issues. Adult Education also sponsors the Bonaventure Group, an ongoing reading group, led by Jack Vickrey. This year, the group studied John Donne's "Holy Sonnets", C.S. Lewis' "Space Trilogy" and the ancient Anglo-Saxon epic "Beowulf". Howard Fegan began the Kerygma Bible Study Series.

ALTAR GUILD

Barbara Subber, Chair

This has been another busy year for Trinity's Altar Guild. Our group has prepared the altar for all Saturday and Sunday services as well as weddings, funerals and holidays. Thank you to all of you who have so faithfully given of your time and talent.

I want to express our gratitude to Sally Hampson who has retired after giving so much to the guild for so many years. Thanks also to Mary Billets and Ann Fegan for taking care of the mid-week services in the chapel, and to Anne Connors and Nancy Muzyka for their assistance during Holy Week.

The Altar Guild purchased all necessary supplies for the services this year. We also were able to invest in glass chimneys for our torches as well as for the altar candles in the chapel.

We hope to add 2 or 3 people to the Guild in the coming year. The commitment is for 5 or 6 Sundays a year, of your own choosing. If think you might be interested, please let me know - I would love to talk with you about it.

ANIMAL FOOD BANK OF THE LEHIGH VALLEY

Margie Segaline, Coordinator of Services

As the Animal Food Bank reaches its fourth anniversary, it has become a vital resource to economically challenged members of our community and their pets. Over 3,000 animals have received services. The food bank has become a resource for the newly unemployed, as well as, the shelters where many of these families go to surrender their animals. People are being referred to the Animal Food Bank as a means of keeping their family intact. Animal rescue shelters are being given supplemental assistance from the food bank, as their own food sources are being stretched to the limit. The referral-based spay/neuter program continues as an additional resource to the guests of Trinity Soup Kitchen. Trinity's community-based animal inoculation clinic is temporarily "on hold", as we await the volunteer staffing of veterinarians. It is anticipated that sometime during the first half of 2009, the clinic will be reinstated. The number of alliances with community agencies and shelters continue to grow on a weekly basis. The development of additional support services are being considered for the future. In an attempt to increase awareness and improve communications, during December, the food bank went live via the web.

The address is as follows: www.animalfoodbanklehighvalley.com.

Due to the continuing growth of the food bank, a board of directors has been formed for the purpose of oversight, as well as, for the development of policies and procedures, etc. During the first meeting of the board on December 30th, 2008, it was decided to change the name of the animal food bank to "The Animal Food Bank of the Lehigh Valley", due to the areas now serviced by the food bank. I, Margaret Segaline, was named as the coordinator of animal food bank services. The following are the board of directors for The Animal Food Bank of the Lehigh Valley:

The Reverend Clifford Carr

The Reverend Dr. Richard Ditterline

Linda Henry, Esquire

David Howell

The Reverend Laura Howell

Barbara Loch (also Director of CAHW)

The Reverend Elizabeth Miller

Karen Ernst-Reiner

Margaret Segaline, Coordinator

Vanessa Segaline, Founder

The distribution of thousands of pounds of food and supplies would not have been possible without the ongoing support of members of Trinity (children, youth and adults), individuals and families throughout the community, organizations and businesses. Numerous businesses chose The Animal Food Bank as the recipient of their collection drives this Christmas season. The *Be An Angel Campaign of 2008*, brought new volunteers and increased financial donations substantially.

Thank you for all your support.

BUILDING & GROUNDS

Bob Romeril, Chair

Buildings and Grounds continued its efforts to improve the facilities while providing the services necessary for ongoing maintenance. During the year there were the usual visits by the roofers, the plumber and electrician, air conditioning and heating system inspections and adjustments, and carpet cleaners.

Renovation and improvements to the Rector's office begun last year were completed early in the year. Flex Illick doing much of the carpentry work, and Jim McCandless the electrical work and the floor, highlighted a group that included many painters including Cliff Carr, Marjorie Buckley, Suzanne Boundy, and George Kondash .

Tom Bradley completed the installation of storm windows and screens in the Ambulatory.

Eleven storm windows were added to the chapel. An additional seven storm windows were added to the library, Curate's and treasurer's offices. George Kondash worked on these installations that are intended to save fuel and make the areas more comfortable.

B & G worked with Deacon Liz to have the kitchen painted and the cabinets refurbished.

Electrical outlets were added in the Parish Hall, the Kitchen, Treasurers Office, Electrical Room (for the Security System), and Fellowship Hall (for A/C units provided by the AA group)

We acquired reproducible prints of much of the existing facilities.

The base for the Sacristy cabinet that serves the Chapel was rebuilt.

At the direction of the Rector and Vestry, B&G worked with architects in two studies. The first was an evaluation of options to make each of the floors handicap accessible. A number of options have been identified and estimates developed. This project is currently on hold.

Working with a second architect, the clergy, and other parishioners, a plan for a Memorial Garden has been developed. Regular reports on progress were made to the Vestry. It is possible that, field work can begin in April, with completion in early summer. Of particular note is the excellent picture that Marius Bressoud produced showing Trinity with the new garden in place. It should be noted that incorporated into the plan for the Memorial garden is resolution of the water problems long associated with this area and discussed in the 2007 Annual Report.

Our Sexton, Dennis Perkins, continues daily to clean, polish and care for our facilities. His dedication, his dependability and good humor are a significant contribution to the life of the Parish.

There are many members of our Parish family who daily help to maintain the facilities. A few of those who made an impact on major projects during the past year are mentioned here. In addition to the members of the Buildings and Grounds Committee, many parishioners contribute their time and talents to the maintenance and beautification of our facilities. All of these gifts of time and talent, although anonymous here, are most gratefully appreciated.

CURATE

The Rev. Hillary Raining

I began my curacy at Trinity in July of 2008 and was ordained to the Priesthood in August of the same year. In the six months that I have been here, I have already been richly blessed by the new experiences that I have been able to have and the people I have interacted with. In addition to the priestly duties of making pastoral calls, preaching, teaching and serving in the worship life of Trinity, I

have also been working in certain ministry areas which have specific foci. The first ministry area that I was exposed to was the Soup Kitchen. Under the guidance of Deacon Liz, I have learned some of the ins-and-outs of this major operation. The Soup Kitchen truly changes the lives of all that gather there and I learn something new there every day. Since then I have branched out into the realm of Children & Youth Ministries. Working with Ellyn Siftar, our Director of Religious Education has been a joy and we have been busy helping to envision the next step for Trinity's Youth. With the help of others, we started a youth forum called C.A.Y.A. (Come As You Are). This forum's emphasis is centered on the linking of spirituality with everyday life. C.A.Y.A will be a wonderful bridge into our next program, Journey to Adulthood which we will be implementing later this year. (To read more about the Youth Program, See the "Sunday School" Annual Report). Another area of growth for Trinity which I have been involved with is our new Alternative Worship Committee. Beginning in January, this committee will be trying to bring new styles of worship to Trinity. To do this they will be involved in education, preparation and evangelizing these exciting new ways to worship. Looking toward the future, I expect to be involved with a movement to focuses Trinity's Evangelism goals. It is truly a joy, honor and blessing to be working at Trinity and I thank God and this parish for the opportunity.

DAUGHTERS OF THE KING

Constance and Her Companions

The Constance and her Companions Chapter was instituted in 2006 at Trinity Episcopal Church with four members. Since then the chapter has grown to nine members. Members take vows and follow a Rule of Life based on Prayer, Evangelism and Service. The primary focus is to support the clergy in this parish, daily prayer and work for spiritual renewal here at Trinity. We meet once a month to pray, work on projects that benefit the church and bible study. We attend an Assembly once a year with Bishop Paul, host an Advent Quiet Day yearly, and attend retreats offered by the Diocese for spiritual growth. During the summer of 2008 we hosted a luncheon honoring the female clergy of Trinity. The Daughters maintain a Prayer Box for confidential prayer requests, located in the rear of the church. Every girl of nine and above and all women are eligible to join "The Daughters of the King". Any Daughter, identified by her Cross may be contacted for further information.

HEALTH MINISTRY

Mo. Laura Howell

Health Ministry works closely with the Pastoral Care Committee to provide transportation to parishioners, both to medical visits and church. It is also concerned with the health and well-being of the parish and arranges health-related classes and programs. In 2008, Tom Ardizzone continued his tai chi classes on Saturday mornings at 10:00. Katie Simmons offered a yoga class for four weeks on Saturdays at 11:00. Donations from both classes go toward support of the Soup Kitchen. Mary Rosenberger has two ongoing yoga classes on Tuesday evenings. There is a charge for these classes--call for information if you are interested. Health Ministry also maintains a list of health professionals in the parish and community, who are available to assist parishioners with understanding medical issues. Other members of Health Ministry knit caps for chemo patients who are losing their hair.

INSURANCE OFFICER

Violet McCandless

Each renewal Insurance Policy is reviewed yearly, for additions or corrections to provide adequate coverage for the operation of Trinity Church.

A form was created by the Vestry, to be completed by each outside group that uses our Church, listing our guidelines for use, as well as our requirements regarding adequate underlying limits of liability, to insure our protection. Contracts are also reviewed when maintenance work is done at the church, to insure proper liability coverage for our protection.

Presently a committee is working on completing an inventory of the building, to establish full value of our contents.

LIBRARY

Suzanne Styers Boundy

Trinity's Library continues to serve the Parish. It is available during the hours the church is open; feel free to check it out.

As the new year begins, please check your book shelves and return any tapes, videos or books that are outstanding. Thank you.

NEWCOMERS COMMITTEE

Gaby Whittier

In 2008 the Vestry made welcoming newcomers a priority. The Newcomers Committee meets mostly via email, and is spearheaded by Gaby Whittier, Jennifer Bradley, Marcie Lightwood and Sue Zumas. The committee also works closely with the youth program to incorporate the families of children who join the Sunday School programs. Visitors are welcomed and offered information about Trinity by a committee member and/or a Vestry member at each Sunday service. And, of course, the parish as a whole is very welcoming to our visitors. Welcome Brochures, visitor's cards and promotional materials are constantly being prepared and updated and offered to our visitors. Marius Bressoud continues, as he has for years, to follow-up and contact each person that signs the Visitors Book or fills out a visitors card.

There is much more that needs to be done in this area of making visitors and newcomers welcome and incorporating them into the life of Trinity Parish. We continue to seek those who would be interested in working with us to develop an effective program. Please speak to the Rector or any member of the Vestry if you would like to become a part of this ministry.

OUTREACH COMMITTEE

Margie Segaline, Co-Chair

Marie Lisby and Margaret Segaline were named co-chairs of the Outreach Committee. Marcie Lightwood needed to step down as chair, due to work responsibilities and schedules. Thank you, Marcie, for your many years of hard work and dedication as chair to the Outreach Committee.

Since October of 2008, the Outreach Committee has been busily researching, proposing and voting on potential programs to be recipients of the General Outreach Fund. The recipients of the General Outreach Fund were as follows:

- Episcopal Relief and Development- \$1,649.
- Northeast Ministry, Bethlehem- \$445.
- St. Luke's Neighborhood Center, Allentown- \$378.
- Second Harvest Food Bank, Allentown- \$1,109.
- South Bethlehem Neighborhood Center- \$495.
- Stephen's Place, Bethlehem- \$553.
- Turning Point, Bethlehem- \$330.

There was an Outreach Fair in the spring to enable social-service non-profits to publicize their activities and attract new volunteers from the parish.

The Outreach Committee has also examined and discussed additional potential outreach projects which may be carried out in the future.

A Centennial Fund Suggestion box was made available during the month of December for parishioners to submit suggestions for nominations. A suggestion form was also provided in the newsletter. Two to three nominees will be chosen from the suggested organizations. The Centennial Fund recipient from the 2008 annual meeting was the VNA Nurse-Family Partnership.

The Outreach Committee welcomes your visit to the monthly meetings which are held the first Wednesday of each month in the library. New ideas are always welcome, as changes in our society sometimes require changes in how we reach out to those in need.

PASTORAL CARE COMMITTEE

Marius Bressoud, Chair

Organization of the Committee has changed radically during the past twelve months. With the widespread use of email, the aging and illnesses of former, long-time members and changes in pastoral care, we have shifted to bi-monthly meetings and new ways of getting our work done.

Membership in the Committee has become much less formal. Individual parishioners are recruited for single tasks or tasks of limited duration. Gloria Tarby handles the recruitment of Sunday Altar Bouquet deliveries entirely by email. Lynn Tax does the same with the recruitment of contact persons to be in touch with the children of parishioners who are in college. Other tasks are performed similarly with contacts by email, phone, in person and now, rarely, by US Mail. Few members are willing or able to commit to maintaining long term and regular visits to those who are ill or shut-in. With one or two exceptions, that work now falls entirely to the clergy. We would welcome more lay help in that area.

Still, it should be noted that much unorganized pastoral caring happens naturally and spontaneously between parishioners as we continue to care for each other in response to known crises, often simply by providing transportation when that is needed. The major problem with that approach is that some critical needs for help go unobserved and unreported. It is essential that every parishioner consider herself/himself a participant in the ministry of making needs known.

Our \$280 Program Budget was used primarily for the purchase of pastoral care literature and for Lenten and Advent meditations, all for free distribution at the back of the church or in the tract racks. Together with postage and other office supply costs we finished the year with a \$16 balance.

Restricted Fund Income: We began the year with \$1,338.65. \$600 of this was given to two organizations outside the parish (\$300 to each): the Nurse/Family Program of the Visiting Nurse Association and the Visual Impairment and Blindness Services for its work with visually impaired children. The balance of \$738.65 was used for pastoral care needs within the parish. At the time this report is written all but \$140.31 has been expended. New restricted funds available for grants in 2009 should total about \$1,200, to which any unspent balance from 2008 will be added.

PERSONNEL COMMITTEE

Jack Vickrey

The Personnel Committee held meetings with Mother Laura, Deaconess Elizabeth Miller, Gaby Whittier, Ellyn Siftar, and Dennis Perkins during January, 2009, but after committee reports were due in the parish office.

PRAYER BEAD MINISTRY

Gabriele Whittier, Facilitator

The prayer beadners continue to meet for fellowship, to make prayer beads, prepare kits and workshop materials and to pray.

We continue to provide free prayer beads at Trinity, at Diocesan functions and special requests.

Our group also works closely with Pastoral Care and the Health Ministry at Trinity, providing prayer beads to those in our parish where the need is greatest. In addition, we continue to make appropriate chaplets and pray for various ministries of our congregation.

All of this work is done through donations and contributions. We are always ready to accept whatever help anyone can provide. We are looking for people to join us in our monthly meetings (the 3rd Thursday of every month, beginning with a shared meal at 6:00 pm). We are also pleased to receive beads and crosses to be recycled into prayer beads (these are sometimes available at flea markets and garage sales, or in attics). Items to be recycled can be put in Gaby's box in the mailroom, or dropped off in the parish office. If there is anyone who would like to donate time and or talents, please talk to Mother Laura or Gaby Whittier.

SOUP KITCHEN

Deacon Elizabeth Miller and Siobhan Ardizzone

Trinity's Soup Kitchen continues to feed and minister to the hungry in Bethlehem. Volunteers served 30,822 meals in 2008, and the kitchen was closed for an unprecedented two weeks for remodeling. A cleaner, brighter, more efficient kitchen greeted Soup Kitchen volunteers and guests in mid July. Deacon Elizabeth Miller oversaw a refurbishing project that included freshly painted cabinets and walls, repaired drawers and shelves, new door handles and drawer pulls. Before the paint cans could be opened, Deacon Liz and Mother Hillary purged the contents of the cabinets. There's report of an empty shelf or two!

Marcie Lightwood is the acting social worker ministering in the Soup Kitchen.

More than 200 guests shared the Thanksgiving and Christmas Feasts, an increase of more than 50 over last year. Daily attendance continues to rise as well. Many thanks to the many volunteers who donate food, and who cook, serve and clean up after the feasts and meals throughout the years!

SPIRITUAL FORMATION

Mo. Laura Howell

The Quiet Contemplative Life at Trinity continues strong. In addition to ongoing Morning Prayer at 9:00 Monday through Friday, we now offer Evening Prayer weekdays at 4:30. A Spiritual Journaling Group and Movie Group on spiritual themes met for several months. Taize Evening Prayer meets on the first and third Sundays for an hour of chant and meditation. We offered a three-day retreat for the parish and the diocese on Benedictine Spirituality of Work. The Going Deeper Benedictine Spirituality Group continues on the first and third Monday evenings with modified monastic Evening Prayer, Compline and a discussion of our readings. The Prayerbeads group meets most months and provided hundreds of beads at no cost (although donations are welcome!) to pray-ers at home and abroad.

STEWARDSHIP

Karen Ernst and Sara Klingner

The Stewardship Committee thanks every Trinity member who has completed an estimate of giving card for 2009 and for the continuing financial support of Trinity's ministries and programs.

In keeping with our 'Trinity Grows Green' initiative we will not be sending individual thank you letters; however, contribution statements will be mailed by the end of January 2009.

Because of the difficult economy, the results for 2009 are mixed. As of December 24, 119 estimate of giving cards have been received totaling \$262,473 with perhaps a dozen cards still expected. For

2008, 127 estimate of giving cards were received totaling \$285,603; however some of those cards were from members who have either moved from Trinity or have passed away. For 2009, approximate 52 of the cards received represented increases in giving; however, 20 of those cards represented decreases in giving. If you have not yet completed an estimate of giving card for 2009 and wish to do so, please contact Karen Ernst.

We encourage everyone to consider that stewardship is not only about paying bills, but about giving back to God what God has given to us. The offerings of time, talents and treasure are a way of saying thank you to God and to the other members of our community of faith. We recognize that not everyone is able to make an estimate of giving but are very appreciative of all financial contributions that are received.

As a reminder, the Stewardship Committee continues to provide coordination for fundraising efforts within the parish. If your group wishes to have a special fundraising effort, please contact either Sara Klingner or Karen Ernst.

Trinity Quilters Ministry

Submitted by Gloria Tarby

The Trinity Church ABC Quilts Ministry was formed in January 1997. Since that time we have made and donated over 500 quilts and 350 sets of baby booties and hats to institutions caring for babies born with crack addiction or are HIV positive.

Up until 2007 we met at the Victory House on the southside of Bethlehem. In 2007 we relocated to Trinity, meeting in the Fellowship Hall every Monday morning. We have also changed our focus and are making baby quilts and booties and hats for the babies in the VNA Nurse-Family Support Program. With this program we get periodic feedback from the Executive Director which makes us feel personally involved with the program. Since we have refocused our efforts we have fittingly changed our name to Trinity Quilters Ministry.

We are six (6) strong. This past year we lost our founder, Edith Wilson, but remember her philosophy of always caring for others. As in the past we still need knitters and anyone who would be interested in learning to make baby quilts. We have a compatible group and are always looking for more busy hands to help our ministry of helping needy young mothers and their babies in our community.

VICTORY HOUSE OF LEHIGH VALLEY

Sally McIntosh

Trinity's Representative to Victory House

Last year I reported that we had built a new addition secured partly by a VA Homeless shelter grant. It added rooms for 12 new beds, a large bathroom, 2 staff offices, a health room and a much needed commons room. This year I am pleased to announce that the building is completely paid for due to a City of Bethlehem \$200K grant. This was more than we expected and a great relief. Now some of our fundraising will be aimed at important programs for our clients. We are always looking for new ways to help the men integrate back to the community.

Various organizations designated the shelter as a recipient of their charity events. They include ABC (Associated Builders and Contractors), Beth Morning Star and LVMAC (Lehigh Valley Military Affairs Council). In addition we held our second annual golf tournament at Morgan Hill in Easton-a great success. For the golfers at Trinity keep in mind early October for this fun event.

One of the new projects that I found exciting was the creation of a large vegetable garden. One of our board members started out simply with a few tomato plants. However, by the summer the clients got so involved they were growing many other vegetables and herbs. One of the clients built a wooded enclosure complete with gazebo! This a great example of how the clients can participate in the life of the shelter.

Once again I want to thank everyone who help me buy the Christmas presents or who brought items to the church. Every year I am overwhelmed with your generosity and so are the clients. Due to the

economic situation facing our country at this time, we expect to see a greater need than ever for homeless shelters. Please keep us in your prayers.

WORSHIP and MUSIC

Mo. Laura Howell, Rector

Our Worship and Music programs have been particularly blessed this year. Following the resignation of our previous organist at the end of 2007, the two organists in the parish, Joyce Meinke and Mary Schatkowski volunteered to fill the spot. Together with some marvelously talented supply organists, they met the challenge and went far beyond the call of duty to continue the music that helps us pray and delight in the Beauty of God. Our choir worked diligently this year during the interim to keep the skill and momentum up, and successfully attracted new members. Brass at Easter and Christmas made these holy days special ones. An Organist Search Committee was constituted and worked extremely hard throughout the year, examining resumes for prospective organist-choir directors, communicating with them, meeting for auditions and interviews and, finally, at the end of the year appointing Dr. Timothy E. Smith, who will begin his tenure on February 22, 2009.

Worship Committee meets on the first Monday of the month to plan our church and chapel services. Members of the altar guild, music, clergy, staff, youth ministries, and parishioners work far in advance of the liturgical calendar trying to get every detail, no matter how small, in place so our worship services can be times of joy and awe. We always need new members, because each member brings a differing experience and talent to the table. If you would like to see something happen in Worship, please join this busy committee that works quietly behind the scenes.

YOUTH MINISTRIES

Ellyn Siftar, Director of Youth Ministries

NURSERY

The nursery opens at 9 am for the forum and second service, closing at noon. This year we have four paid nursery staff who have, with great care and consistency, shepherded up to 12 little ones a week. Much gratitude to Vanessa Segaline, Heather Lawrence, Sweena Sarong and Caitlyn Vauter who have playfully shared their gifts of laughter and negotiating skills every week!

GODLY PLAY

This is our third year of offering Godly Play, a Montessori approach to faith formation written by Episcopal priest, The Rev. Dr. Jerome W. Berryman, to Trinity's children from preschool to grade 5. We now have 25 children registered for the program and some days are full to bursting! Hearty gratitude to Jennifer Bradley and all the doorkeepers who have been consistently committed and gracious!

CAYA (Come As You Are)

CAYA is our newest addition to Sunday mornings for middle school and high school and youth. This group of 6 youth has met most Sundays during the adult forum time and has covered such topics such as peace, Mandalas, yoga, pop culture, sacred space, leadership in addition to some fellowship at Billy's. A grateful thank you to Mother Hillary who has written the curriculum and provided the backbone, and to all who have volunteered to assist.

GARDEN GATE

This group is a mix of Trinity members and neighborhood parents and their babies and toddlers. Meeting weekly on Friday mornings, this group plays, snacks, crafts and prays together. We strive to share wisdom, strength and experience to encourage Christ-centered parenting.

J2A (THE JOURNEY TO ADULTHOOD)

Beginning Sunday, March 1, 2009, Trinity will be launching the Journey to Adulthood program for our youth. The Journey to Adulthood program, more commonly referred to as J2A is a complete youth ministry program of spiritual formation for 6th-12th grades. It uses Bible study, prayer, rites of passage, outreach ministries and both serious and playful activities to help youth understand what it

means to be a Christian Adult in the world today. The program does this in three two-year segments (<http://leaderresources.org/j2a>):

- **Rite-13:** The first two years (6th & 7th or 7th & 8th graders) that focus on celebrating the individuality of each young person and their creative potential. The Rite-13 liturgy (A celebration of Manhood and Womanhood) is the community expression of this and a rite of passage from childhood towards adulthood.
- **J2A:** The middle portion of the program (8th & 9th or 9th and 10th graders), engages youth with the skills and critical thinking involved in adulthood. The youth plan and embark on a pilgrimage together at the end of this segment. This experience is often the spiritual highlight of their youth.
- **YAC:** This is a mentor-based program that helps older teens (11th and 12th graders) discern and carry out a ministry within their church or in the larger community. Vocation and development of a personal credo are also emphasized. A final rite of passage sends them out into the world as ambassadors of Christ.

If you have any questions or would like to help please see Mo. Hillary Raining or Ellyn Siftar

COMMITTEE FOR CHILDREN AND YOUTH

The committee has been meeting for the past two years to support the children and youth programs at Trinity. This year we will be focusing on developing a mission statement, beginning the Journey to Adulthood program, recruiting teachers, coordinating an Earth Day clean-up, planning a Godly Play training weekend. Blessings to all who have been faithful members of this group since its inception and have been patient while it was budding, and, now that the fruit is ripening, have renewed their commitment to following through to the benefit of not only the youth, but the entire body of Christ.

This year has been one of incredible growth in all of our Sunday school rooms and I am grateful for the opportunity to serve you all.
